*Brian Roberts, Chairman Heritage Group [centre] at the 2005 CIBSE AGM with Frank Ferris, Heritage Group Newsletter Editor & Webmaster [right] when Frank was awarded the CIBSE Bronze Medal for his Heritage work*

## **ABOUT THE AUTHOR**

**Eur Ing Brian Roberts CEng FCIBSE Life Member ASHRAE**

Brian Roberts was born in Bristol in 1936 and entered the industry in 1952 as a student apprentice with Brightside, where he became Chief Air Conditioning Engineer. Later, he was Company Chief Engineer for Drake & Scull and Technical Director of Airpower (now Carrier Holland Heating). He has written many books and papers both on technical and heritage subjects and served on many committees. He has been CIBSE Heritage Group Chairman since 1982 and in 1994 was awarded the CIBSE Silver Medal. He retired in 2000.

The Heritage Collection contains a variety of material relating to Willis Carrier, which has now been compiled into a selective picture electronic book as a companion Volume to the Archie Heard electronic biography of Willis Carrier.
