Fig. 48.—A BATTERY OF SEVEN GALLOWAY BOILERS AT CLAYBURY ASYLUM
The Claybury Asylum, Woodbury, Essex, opened 1890
Boiler cross-section showing Galloway tubes
In 1849, Galloway completed an order to provide a boiler for Leeming & Company of Salford. The boiler was 22 feet long and 7 feet in diameter and possessed seven cone tubes. The advertisement dates from 1891.
In 1851 a Galloway boiler was exhibited at the Crystal Palace Exhibition and then purchased by the West Ham Gutta Percha Company.
1876 Galloways supplied boilers to Salt’s Mill, Saltaire in Bradford
1881 Galloways supplied four Lancashire boilers (out of ten) to the Rhymney Iron Company, Caerphilly, South Wales
In 1884, Galloway supplied two boilers for the new Law Courts in the Strand, London.
