Light Humour

Gas Lights come to Pall Mall 1807
Gas versus Oil c.1820
The Blessed Effects of Gas Lights
c.1820
Testing the Electric Light 1884
The Introduction of the Electric Light into Private Houses c.1890

Captions below:

1. Warning to people who wear shiny jewelry, if an unprotected wire happens to touch a necklace, etc.; for instance, the above might possibly happen.
2. "Please, ma'am, the man's called with the storage force—will you have it in the cork or bottle?"
3. Jones thinks the light must be strong.
4. Master Harry takes Tommy to show him their new battery.
5. Quadrille of the future in a room overcharged with an excess of electricity.
6. Curious accident by the careless use of an electric pipe-lighter.
7. Portraits of gentlemen who have had the electric fluid in their houses for a few years.
8. The Christmas galvanic butter-ly-pudding, electric currents, etc.
1. Warning to people who wear sham jewellery, if an unprotected wire happens to touch a necklet, etc; for instance, the above might possibly happen.

2. "Please, ma'am, the man's called with the storage force - will you have it in the cask or bottle?"

4. Master Harry takes Tommy to show him their new battery.

5. Quadrille of the future in a room overcharged with an escape of electricity.

6. Curious accident by the careless use of an electric pipe-lighter.

7. Portraits of gentlemen who have had the electric fluid in their houses for a few years.

8. The Christmas galvanic batter(y)-pudding, electric currents, etc.

---

**This Room Is Equipped With Edison Electric Light.**

Do not attempt to light with match. Simply turn key on wall by the door.

The use of Electricity for lighting is in no way harmful to health, nor does it affect the soundness of sleep.
