WELCOME TO ANDREW MORE
THE NEW CHAIR OF THE HERITAGE GROUP

Eur Ing Andrew More
FRSA CEng BEng (Hons) MCIBSE AMASHRAE

Andrew is a Senior Building Services Engineer with the Conservation Department of Historic England and has been a member of the Committee of the CIBSE Heritage Group since 2006.

After A-Level studies in Science and Engineering, Andrew specialised in Building Services at the University of Liverpool, then worked for consultants and central government including as part of the professional team at the historic Royal Naval College, Greenwich. In his spare time he looks after a busy church and a private estate of flats and maisonettes where he lives in the outer suburbs of South London.

Andrew has been a Member of CIBSE since 1984 and a Chartered Engineer since 1987.
