

CIBSE HERITAGE GROUP

Special Newsletter No.6

September 2020

THANK YOU ALL NHS & SUPPORT STAFF

We conclude our tribute to hospitals and staff since the formation of the CIBSE in 1976 with a selection of photographs of the NHS including the 70th Anniversary celebrations in 2018.

Doctor using an early hospital computer in the 1980s

An early NHS image Oldham Royal Hospital

CONTROVERSEY IN THE NHS

When the NHS first introduced mixed-sex wards they proved unpopular with patients

A nurse in an NHS protest 1990s (one of many by staff and patients over the years)

HOSPITALS AT WORK

Hospital staff busy in the corridor

Nurses attending young patient in Peterborough Hospital

HOSPITALS AT WORK

Ladies operating hospital telephone and computer services

An important job is in the pharmacy organising the storage and distribution of medicines

DOCTORS AND NURSES AT WORK

Eye examination at Eastbourne District General Hospital

VCT (Volume Computed Tomograph) high speed scanner at St Helier Hospital Surrey 2017

Motor-cycle paramedic

Paramedics delivering stretchered patient from helicopter on roof of London Hospital

ENGINEERING SERVICES ESSENTIAL FOR HOSPITAL FUNCTIONING

Southampton University Hospital doubles CHP (Combined Heat and Power) Capacity 2013

Gas-fired Steam Boilers at Bedford Hospital 2017

The CIBSE Heritage Group is made up of a number of like-minded professionals, many retired, who have spent a lifetime in building services and bring that experience to bear in discovering, analysing and recording the history of the Built Environment, this essential aspect of the world we live in. It is the longest established CIBSE Special Interest Group (1973).
